**ADDENDUM NO. 1
TO
CONTRACT DOCUMENTS
FOR
Proposal, Specifications & Bid Documents
2021 Townline 12 Phase 2 Resurfacing Project**

ATTENTION BIDDERS:

These modifications are to be taken into account in preparing proposals. They shall be subject to all terms, limitations and provisions of the original contract documents, and shall be included and made a part of any contracts executed for this project. The Bidders will be responsible for including this addendum in subject contract.

Submitted Question:

“...I noticed that there is no unit price or total given for the “Contingencies” item on the Bid Proposal sheet like there was for the previous 2 projects. I do see where a few pages later on the sheet that gives the unit prices that the county used to establish their estimate, a price of \$6,681.00 is given. Will this be the unit price used for our Bid Proposal?”

Response to Question:

The attached page containing the Contingencies amount of “\$6,681.00” will replace page 32 in the contract documents and should be used in the bid proposal calculation and submission.
